

**Falcon Fly-By
October, 2017**

Happy October! Fall is in the air, and it is a beautiful sight! We are so lucky to have the beautiful view of the mountains and the changing leaves.

Thanks for those that came to parent-teacher conferences. We really like the opportunity to talk to families and work together to help our students achieve success!

There are a few dates and activities that we want you to be aware of this month:

Oct. 13 is PTA Watch Dogs Pizza Night. All students bring your dads or uncles or grandpas and come have some pizza.

Oct. 17 and 18 the PTA will have the Box Top Store. It will be during lunch.

Oct. 18 is a minimum day. School will let out at 12:45.

Oct. 19 and 20 is fall break. There will be no school.

Oct. 27 is a minimum day (last day of quarter). School will let out at 12:45.

Oct. 31 is Halloween. We will have our Halloween parade beginning at 8:45.

There are NO MASKS allowed. Also no weapons are allowed, real or fake. If you do not want your student to participate in the parade, please let their teacher know. Parents can watch the parade either in the cafeteria or the hallways.

We ask that parents and other adults that do not work at the school not dress up. In the past this has been very frightening to children. Students need to have school clothes that they can change into after the parade.

Nov. 2 Flu Shot Clinic beginning at 9 a.m. Watch for permission slips to come home.

Our students are invited to another Halloween event. On October 21, the Ogden City Police and Youth Impact are hosting a "Cop or Treat". This will be at the Ogden Amphitheater from 2:00 p.m. to 10:00 p.m. Activities will include trunk or treating, food trucks, face painting, and a movie under the stars. Admission is \$5 per person, and all proceeds will go to youth impact and Ogden Police Benefit Association.

Your students are all working now on projects that incorporate what they have learned throughout the quarter. Ask them about these projects!

Our Principle of Success this month is Put First Things First. Students are being encouraged to prioritize their time and get the most important things done. We would love for you to emphasize this at home as well!
